**Ward:** Caledonian

**Application Type:** Certificate of Lawfulness (Existing)

**Application No.:** P2024/0248

**Proposal:** When we initially bought the property and moved in January 2008 we applied to change the use from Commercial on the lower 2 floors and residential on the top 2 floors to Live/work. This was granted and my business moved into the lower 2 floors and we lived above. As my business grew we found the constraints of the space and limited light source to be an issue that restricted the growth of the business and i bought a separate business property, first in Bethnal Green and then when a development came up for sale at 400 Caledonian Road N1 1DN. I sold the Bethnal Green property to buy this. As we were no longer using the property for a work space we then applied to change the rates to fully residential. This was granted with effect from 1/04/2010 reference number 00000204890086.

**Proposal:** Erection of single storey roof extension at second floor level over rear outrigger, and partial infill of butterfly roof (set back from rear elevation) at main roof level, under Permitted Development (Class B).  
 We are submitting a Certificate of Lawfulness application which we believe to comprise Permitted Development as defined by Schedule 2, Part 1, Class B of the Town and County Planning (General Permitted Development) (England) Order 2015 (as amended):

- Its additional volume is less than 40m<sup>3</sup>, which is the amount permissible for a terraced house.
- The extension will be set back from the eaves of the host roof and off the rear butterfly by more than 200mm.
- Materials are similar in appearance to the existing house. The extension and the outrigger will be finished with dark grey zinc to match the colour of the existing roof slates.
- No part of the extension is higher than the highest part of the existing main roof as it meets the party walls.
